We would accomplish many more things if
we did not think of them as impossible.

EBB OF TIME

Days follow days, and years follow years
As time goes slipping by . . .
We can't hold back the ebb of time
No matter how we try . . .
But if you live life fully
And joyfully, you'll find
That as long as you're still growing,
Age is just a state of mind . . .
So never give up reaching
for a goal, how ever bold,
And never give up dreaming,
And you never will grow "old"!
